“Camping is the perfect outdoor summer activity to spend with family and friends while connecting with nature,” **said County Executive Bello**. “I encourage everyone to take advantage of the beautiful campgrounds located in Webster Park this summer.”

A new garden located across from the Webster Campground Office is dedicated to the memory of former Webster Park campground manager Delores “Dee” Lanzalaco, a 32-year Monroe County Parks employee who passed away in 2022. The 15-foot by 15-foot garden is filled with several varieties of flowers including lilacs, spirea and potentilla as well as a memorial bench and plaque to cement Dee’s legacy of public service to our parks and community.
